Audiobooks		
Audiobooks	Rate Range	Notes
Hybrid Agreement	\$100/pfh	Plus Royalty Share
Non-Union - PFH	\$200-\$500/hr	Rate is per finished hour (PFH). Includes production fees for hiring a professional to edit/master/proof (production add-on approx \$75-\$125/hr). If converting to union, additional fees may need to be charged to cover health and pension and paymaster fees
Per RAW Hr	\$225/hr	RAW Narration only - NO editing at all.
Production Add-On	\$75-\$125/hr	This rate should be used for independent production - editing, proofing, mastering, etc.

Per finished hour (PFH) refers to the standard way the audiobook, voice acting, and voiceover industry calculates payment. Many narrators or voiceover actors are paid for each hour of the finished recording. One finished hour of audio usually equals around 9,000 words.
